- Case Study #3 - Fairness & Transparency
- Discussion & Recommendation
- Further Study

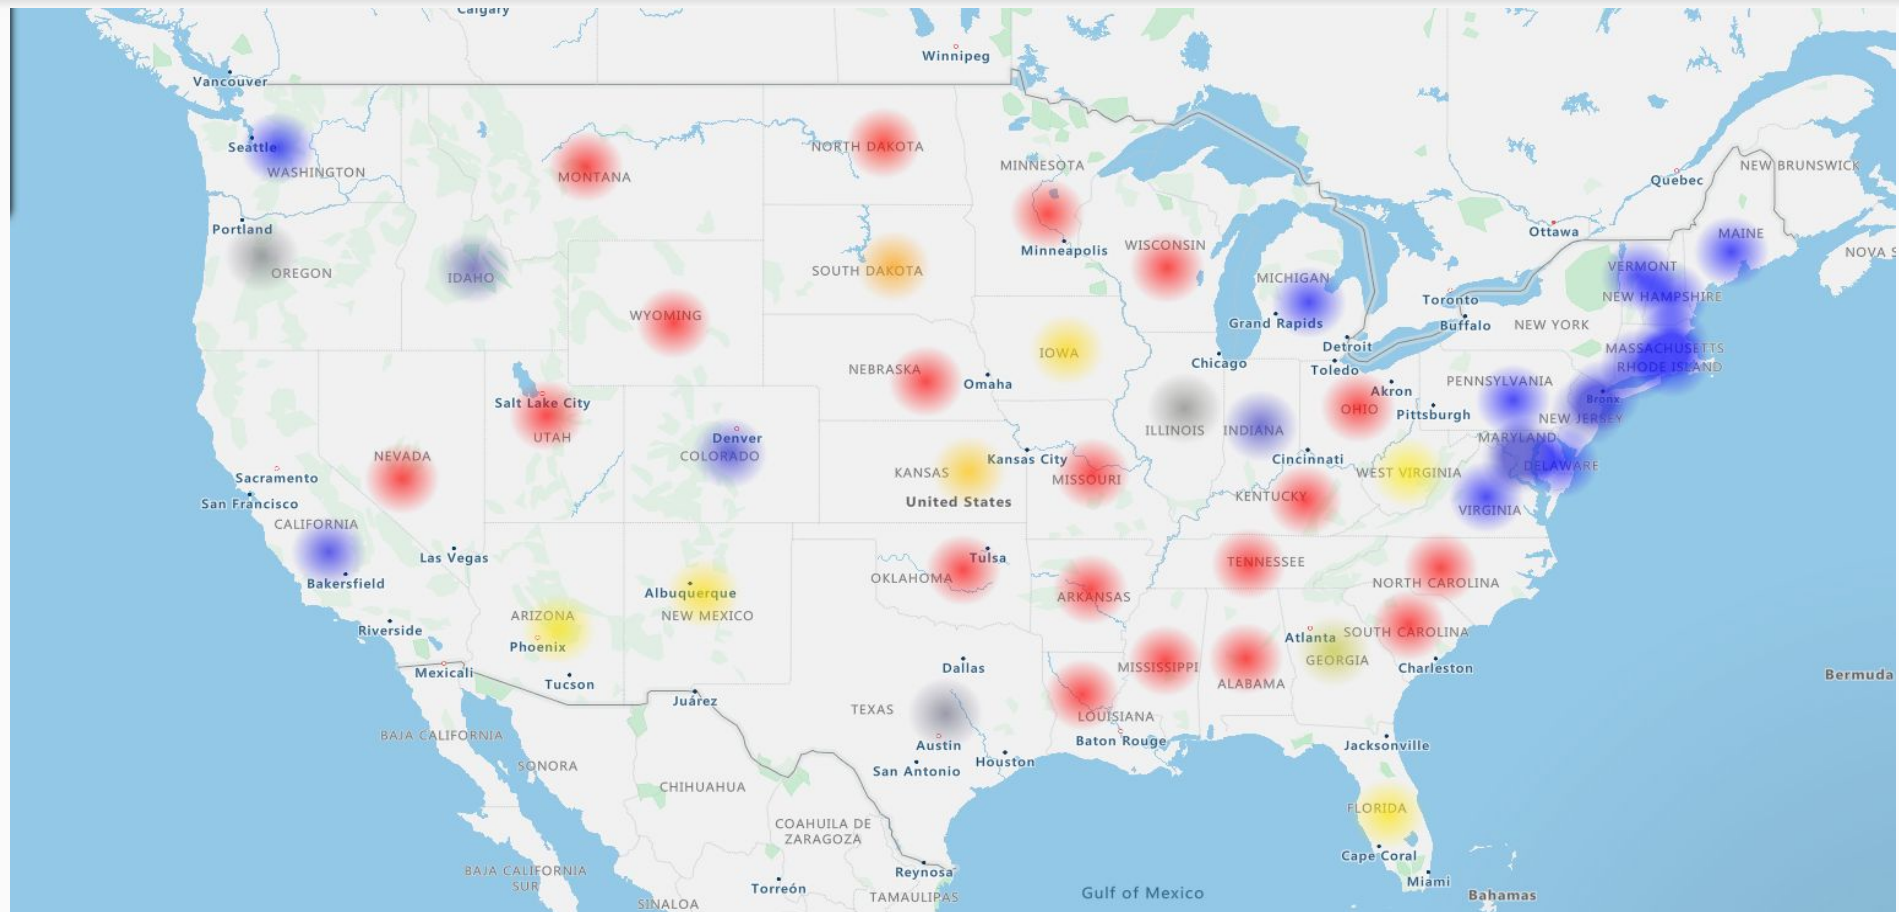

Background: SAT vs. ACT

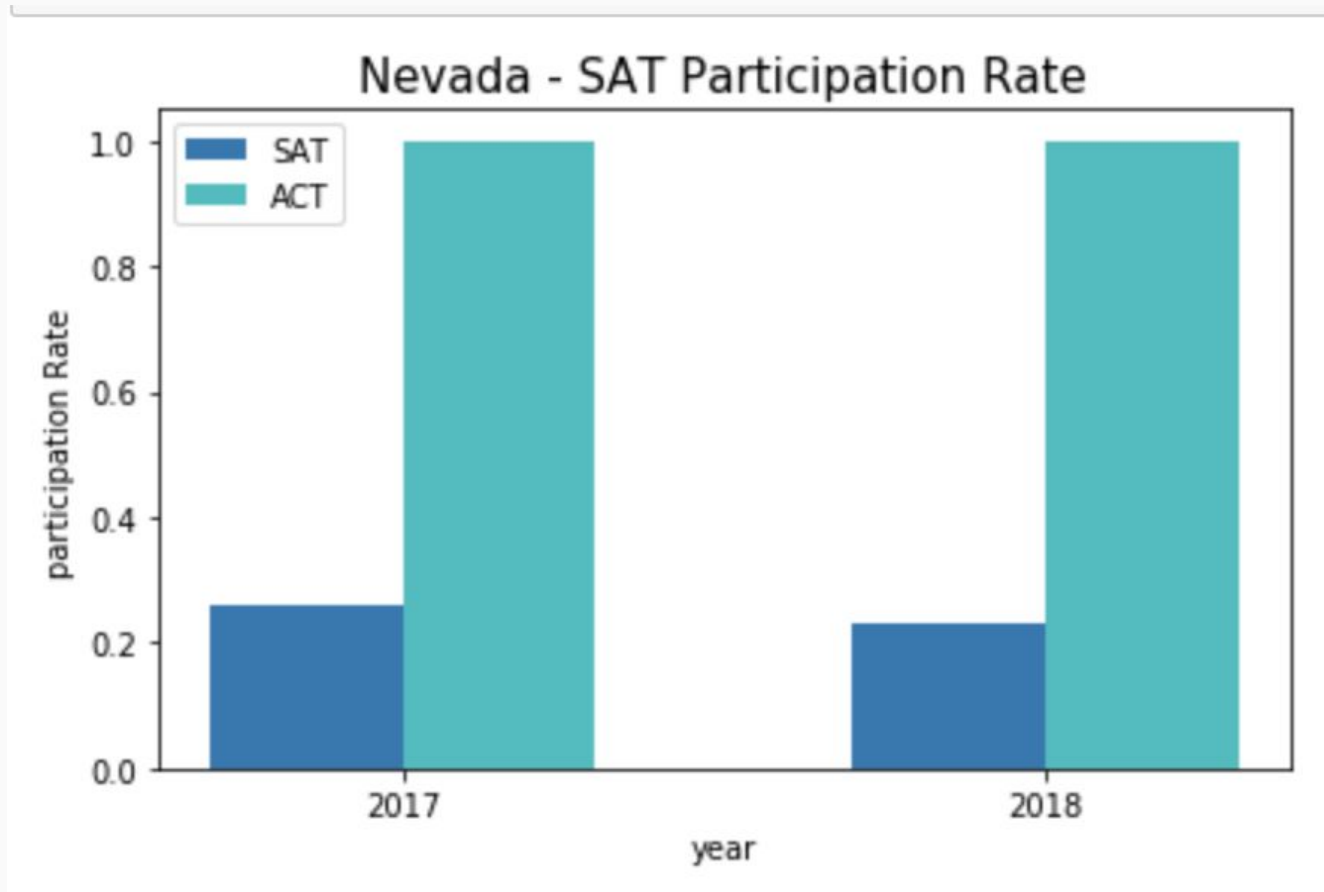

2018 SAT Participation Rate

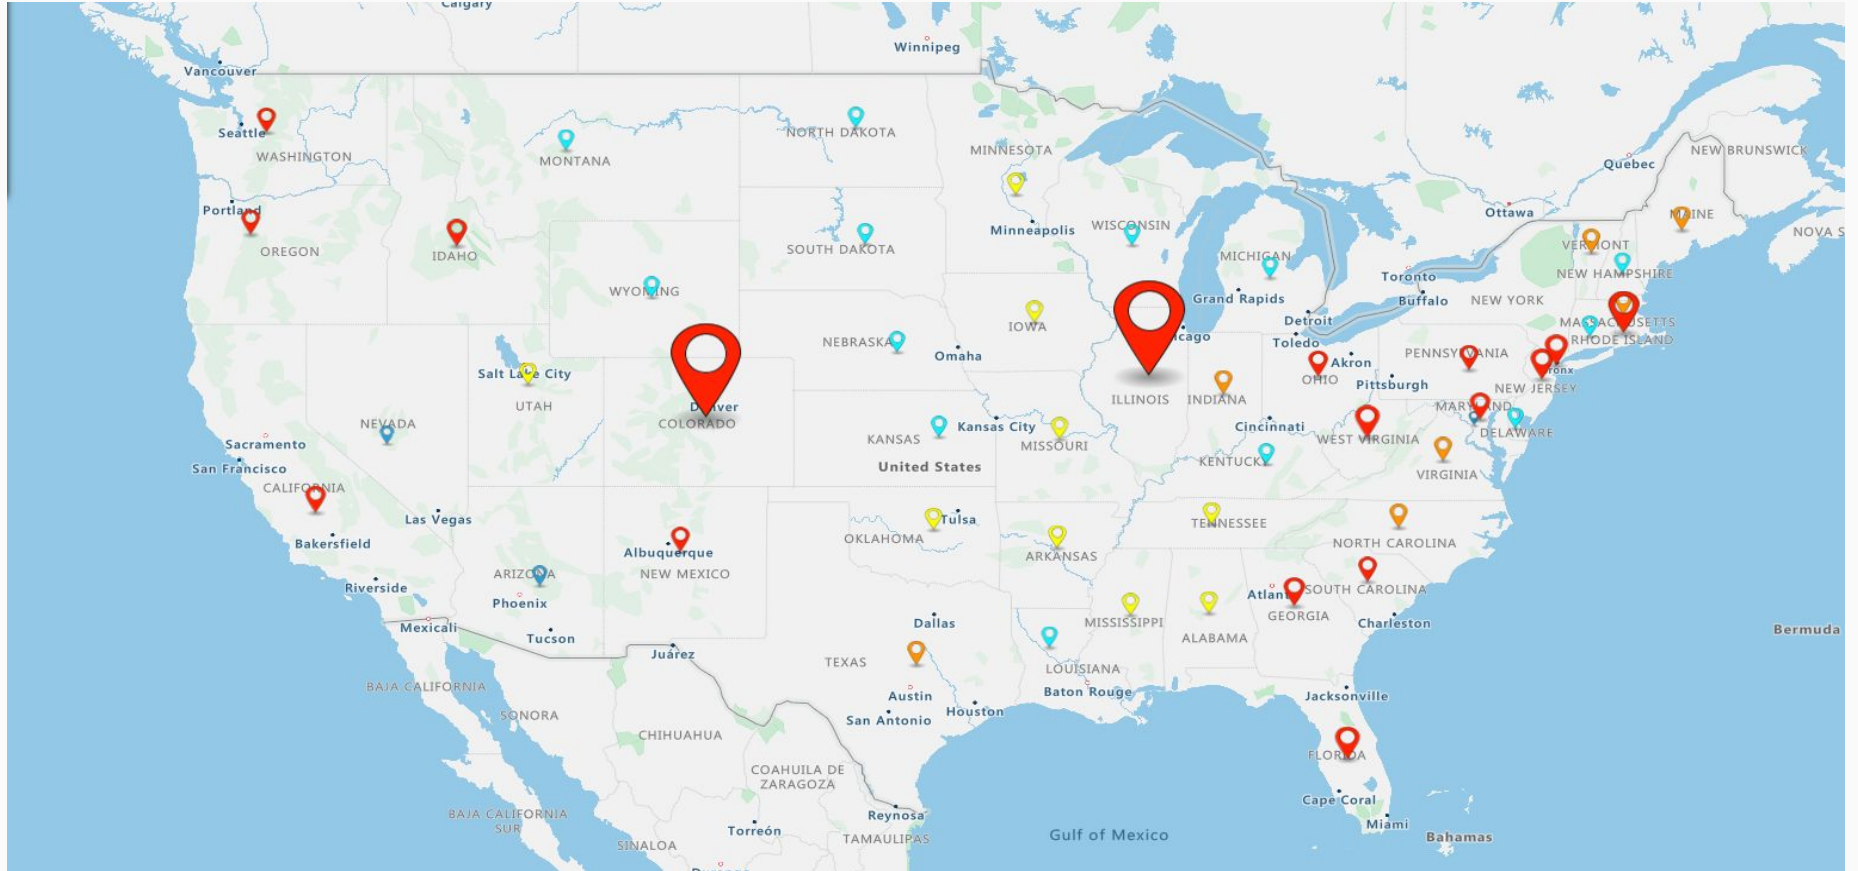

Background: SAT vs. ACT (cont.)

2018 ACT Participation Rate

Case Study #1: Colorado & Illinois

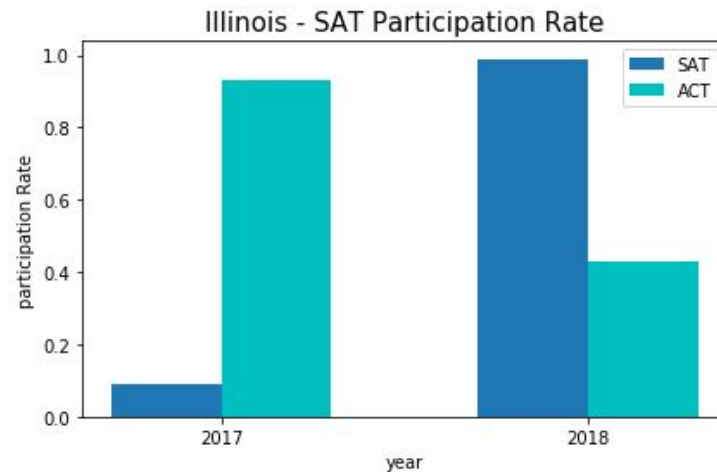

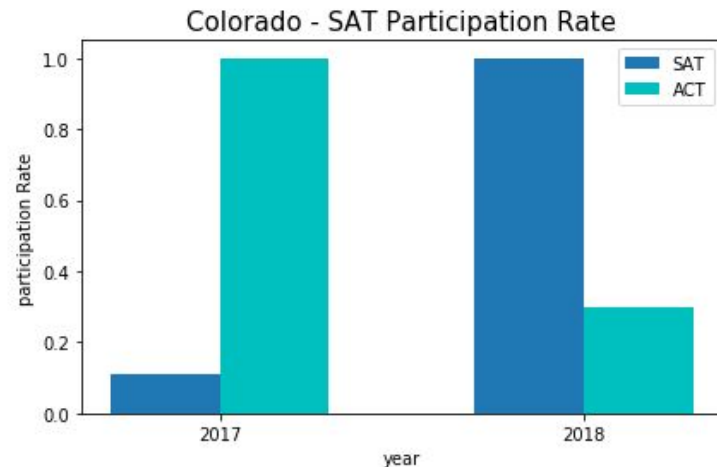

Data Used: 2017 and 2018 SAT Statistical Data

Case Study #1: Colorado & Illinois

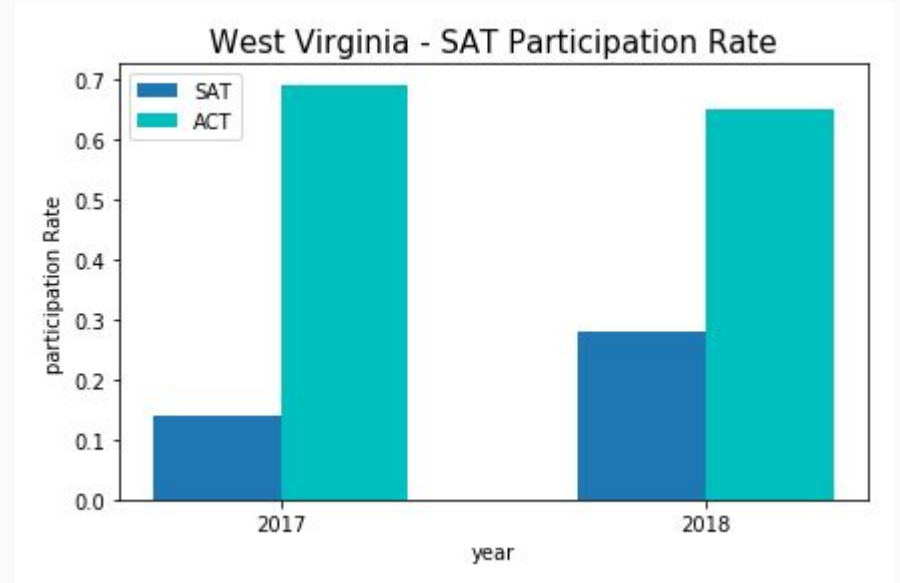

BD/Lobbying: Department of Education (Direct Approach)

- Statewide College Entrance Exam
- Alignment to High School Academic Standard
- Offer free test prep classes
- Free online study resource (Khan Academy)

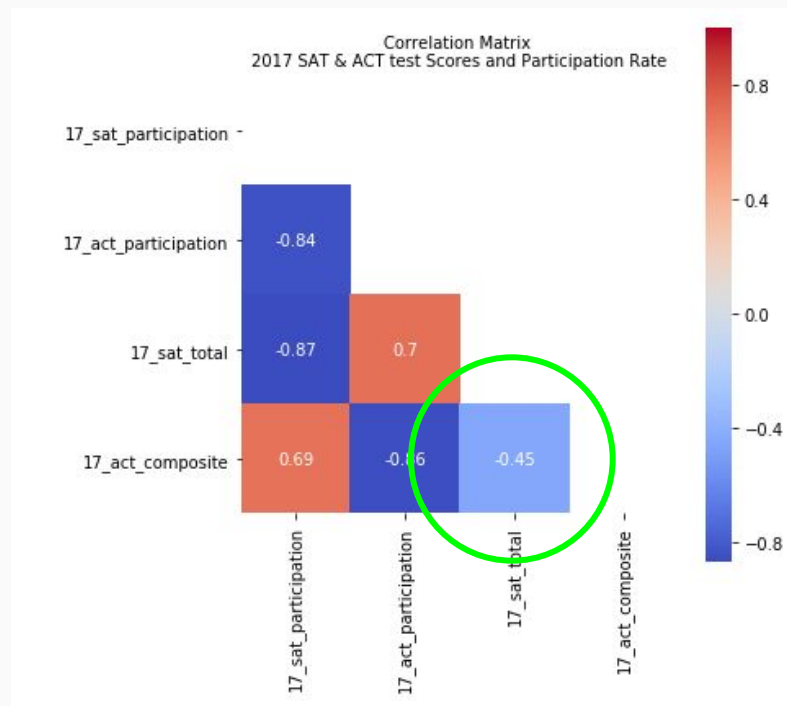

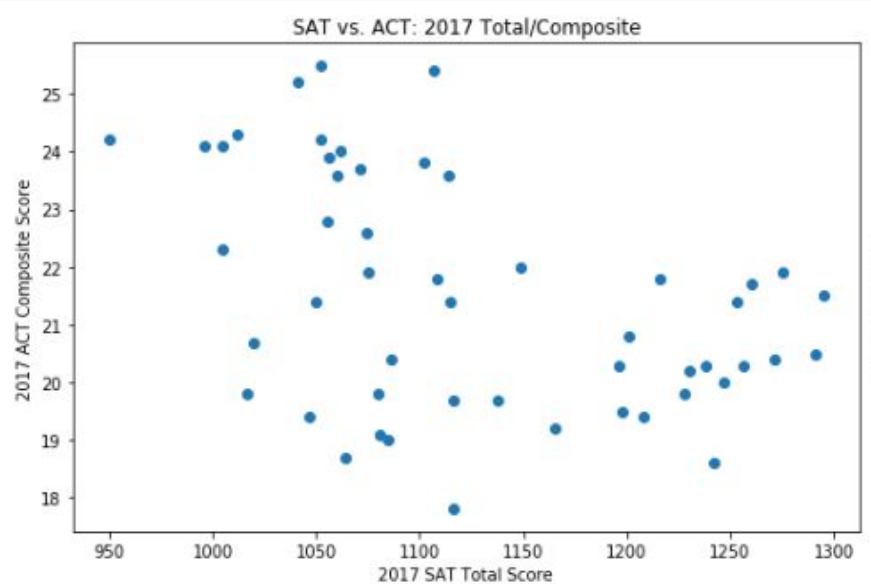

Case Study #2 - West Virginia

1. Chosen in 2017 for future standardized state assessment.
2. Unlike CO & IL, ACT rate drops slowly
3. Why?

Case Study #2 - West Virginia

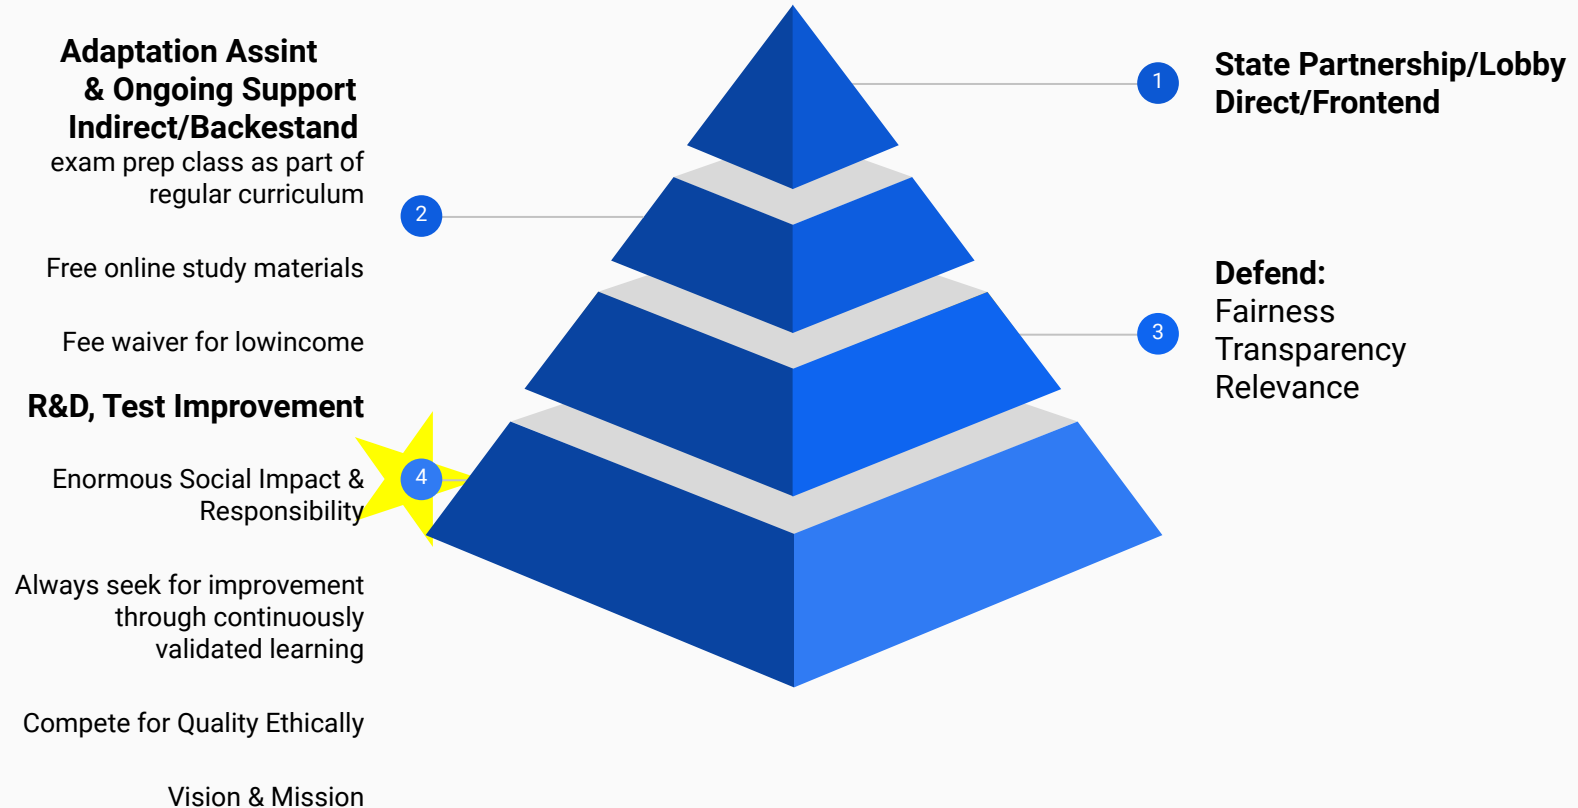

Adaptation Assistance is important and needs patient.

Case Study #3 - Fairness & Transparency

Discussion & Recommendations

Further Study

- Participation Population
- College Admission Score Statistics
- Feedbacks on the New SAT
 - Fairness
 - Readiness
 - Relevance
- Conduct Same Studies for ACT

Thank You!
